

9/2/2014

Dear Parent/Guardian,

Hello, my name is Mr. Mitchell Burdick. I will be assisting and student teaching your student in Mrs. Rockey's Math class over the next 15 weeks. During this semester, I am completing my Student Teaching requirement for Grand Valley State University for the College of Education program. My areas of study are Mathematics (major) and Biology (minor) with an emphasis in Secondary Education. I have also been given the opportunity to be a tutor at Grand Valley for mathematics the past 5 years. I will be heavily involved with your child's education over the next 15 weeks, and I will be taking over Mrs. Rockey's teaching responsibilities within the next few weeks.

I look forward to bringing the skills I have developed in time at GVSU to Mrs. Rockey's classroom. I hope your student is as excited to start the school year as I am to be a student teacher in their classroom. Again, I'm eager to educate your child to his/her fullest potential and looking forward to working with you and your child to make a successful semester in mathematics.

Thanks for taking the time to read this letter. Please feel free to reach out to me in the classroom at 616-457-1402 ex. 3128, email me at burdick.mitchell@gmail.com, or contact Mrs. Rockey directly if you have any questions or concerns.

Sincerely yours,

Mitchell Burdick
Student Teacher
Grand Valley State University

P.S. Hope you will join us at our Junior High Open House on Tuesday, September, 9th at 7pm.
